## **FREE CHILDREN'S HEALTH FAIR OFFERS HOWLIN' GOOD TIME**

MOUNT CLEMENS, Mich. – Halloween fun will begin early this year at the Macomb Community College Sports & Expo Center in Warren as more than 50 health care and public service organizations show up for the annual free Children's Howlin' Health Fair.

Sponsored by the Macomb County Board of Commissioners, Macomb Community College and coordinated by the Macomb County Health Department, the fair will include a myriad of activities, both fun and health related for attendees and their children.

This year's festivities will run from noon until 4 p.m. on Saturday, Oct. 22. Children are encouraged to wear their Halloween costumes and enjoy activities such as the giant inflatable slide and Halloween crafts. Phi Theta Kappa, the International Honor Society for the two-year college, is sponsoring a book exchange and encourages children to

bring a gently used book. However, each child is welcome to a free book (while supplies last) if they forget or don't have a gently used book to exchange.
